## JOHNSTON-WEATHERS.

A Very Pretty Wedding.  
At 8.30 o'clock Wednesday night in the Presbyterian Church Miss Nannie Johnston and Mr. James Weathers were united in matrimony. Since the date of this marriage has been known interest, eager and keen, has been manifested in this and other cities where the affianced are known. Elegant presents have been arriving for the past week from friends far and near which attested the popularity of this young couple.  
Promptly at 8.30 o'clock the bridal party entered the church, the organ in charge of Miss Maggie Gladden playing forth the familiar Mendelssohn march. The ushers, as usual, announced the bridal party. Messrs. Cephus Bolick, and Will Peay, of Chester, marched up each aisle, crossed and took their stand on opposite sides of the chancel. Then came the groom with his best man, Mr. L. E. Owens, and the bride with her maid of honor, Miss Lizzie Johnston. They met at the altar where Dr. Jordan in a beautiful and impressive manner made them man and wife.  
The chancel was beautifully decorated with hot house plants of every description, and, perhaps, this quaint old church never looked more picturesque than it did on Wednesday evening. The bride is the third daughter of Mr. and Mrs. S. R. Johnston. She has many beautiful traits of character, and she never appeared more attractive than on Wednesday evening in her bridal gown of white organdie, court train, high cut bodice richly trimmed with white satin. Her bouquet was of white lilies and maiden hair ferns. The bride veil was held in place by a beautiful brooch.  
The groom is a most excellent young man and has the esteem and confidence of all who know him. He has a knack of making friends and keeping them. He richly deserves the praise he has won.  
After the ceremony the bridal party and a number of guests repaired to the home of the bride where a delightful reception was held for several hours. Mr. and Mrs. Weathers will be with Mr. and Mrs. Johnston for a month before going to house keeping.

Miss Ella Sterling entertained quite a select number of young people at home Friday evening. The evening being, to an extent, a disagreeable one, the number was only half as large as was expected. The evening, however, was most delightfully spent.

## EASTER AT BETHEL.

Mr. Editor: This simple rhyme tells of an Easter entertainment at Bethel Methodist Church on Saturday evening given for the Juvenile Missionary Society:

The silvery moon has risen high  
Above the tree-tops green,  
And twinkling stars now dot the sky—  
One fair, unbroken scene.  
'Tis Easter-eve, and over all  
Is shed a blessing rare,  
As one by one, with reverent step  
Christians fill the house of prayer.  
Old Bethel's lights are brightly trim—  
Sweet flowers bloom all around  
And in the depths of lilies white  
A fragrance pure is found.  
At last the hour has arrived,  
The eager -nances bend,  
To catch the first few opening notes  
Of the sweet such beauty  
flow.

"Praise him, ye saints above."  
Little voices tell the story  
In a language pure and sweet,  
Of our Lord and Saviour,  
How we worship at his feet.  
Baby -ngues, do lip the praises  
Of the whole mission band declares  
in song.  
The tale of love all can tell.  
Shining pennies, freely given,  
Go to tell the Saviour's love.  
We will send them—they will help  
In the cause of God above.  
Now our mission band is strengthened,  
And we ask the prayers of all;  
So while working for our Master,  
We'll not be the wayside fall.  
And we hope to meet on the other side  
The friends who spent with us this  
glorious Easter-eve.

## WILCOX-WRIGHT.

The most interesting of all society events is the marriage of a popular young couple with a large circle of friends. When there is added to social popularity rare personal charms and high character it is an occasion that elicits not only lively interest, but the most cordial approval. Such was the beautiful wedding of Miss Ella Ross L. Wright and Mr. Howard Van Eyck Wilcox, at the First Presbyterian church last evening at 7.30 o'clock.  
The church was brilliantly lighted and beautifully decorated for the occasion, the entire rostrum and altar being transformed into a huge bower of palms and white flowers richly illuminated with a myriad of blazing wax candles.  
The following gentlemen acted as ushers and were the first to march down the centre aisle and take their places for the ceremony: Mr. T. I. Hickman, Mr. Edward S. Johnson, Mr. Thomas Peeples, of Atlanta, and Mr. Porter Fleming, Mr. W. B. White and Mr. Davae Cohen.  
A novel and effective feature was the entrance of the bridesmaids in couples, from the front of the church, on either side of the altar, whence marching up the side aisles they crossed to the centre at the back of the church and marched down the centre aisle to their places. They were Miss Allie Eve, Miss Annie L. Crane, Atlanta; Miss Irene Wilcox, Miss Clara Dougherty, Miss Leola Garrett and Miss Catherine Wilcox.  
The groomsmen were Messrs. Ernest M. North, Marion Ridge, Flackney Reister, Brandon M. Crane, Thos. White and John P. Manly. The best man was Mr. George A. Wilcox, who entered with his brother from the front.  
The maid of honor was Miss Annie T. Wright, who marched down the centre aisle alone, preceding the lovely bride, who entered with her brother-in-law, Mr. L. L. Irvine.  
The bride's gown was a lovely creation of white liberty satin, elaborately trimmed with chiffon. The skirt was made with train, and groups of nar-

address from some old ex-Confederate, a fine program carried out and the graves of our noble Confederate dead lovingly decorated with beautiful flowers. Have our gallant dead been forgotten? God forbid! And what has been done to our Confederate monument that our true and loving ladies worked so hard for many years to erect to the memory of our noble dead? Can't dear old Fairfield with the twelve hundred dollars already on hand raise a supplement sufficient to erect at least a plain shaft of old Fairfield granite in old Fairfield's capital to the everlasting memory of old Fairfield's noble Confederate dead? I think so.  
Many hearty congratulations go down from this community to Mr and Mrs J W Weatherly, the former home of Miss Nannie. She was always admired and was a favorite of everyone when she lived among us. Her joy, peace and prosperity be with them all their days.

# CATARRH CAN BE CURED BY Johnston's Sarsaparilla

QUART BOTTLES.  
"DANGER IN THE EARTH AND AIR; DANGER EVERYWHERE."  
A Wise and Venerable Doctor Talks about Advanced Science.  
In a leading hotel, in a great city, a famous and aged physician was conversing. Listening to his wise and sententious discourse, were a group of well dressed men, evidently lawyers, business men and commercial travelers.  
My firm belief, is "that medical science is certain yet to show that all diseases without exception are caused by invisible germs which are living organisms. Here is the germ of that terrible disease diphtheria. Here is the bacillus of typhoid fever; and here is the still more dreadful bacillus of tubercle which causes that most destructive of all diseases, consumption. This of that very common and supposed incurable disease, catarrh."

"I wish, Doctor," said the traveling man, "that you would tell us about catarrh. I have had it for years, and I am thoroughly discouraged."  
The Doctor answered, "Catarrh, like diphtheria, consumption, typhoid fever, and a host of other diseases, is the result of a microbe invading the blood and attacking specially the mucous membrane. This foul and most disgusting disease is especially prevalent in the United States and it is rare to meet one who is not, or has not been troubled more or less with it. How often is he or she obliged to remain at home from pleasant entertainments, deprive themselves of many intellectual treats, from fear of the disagreeable odor arising from catarrhal affections. In its worst phase, the patient becomes loathsome both to himself and his friends."

"I believe," continued this great physician, "that the true way to heal catarrh is to medicate the blood. This can be done only by powerful alteratives which act as blood purifiers."

Betty A. March, of Manistee, Manistee Co., Mich., writes:  
Dear Sirs:—For ten years I was a sufferer from general debility and chronic catarrh. My face was pale as death. I was weak and short of breath. I could hardly walk, I was so dizzy and had a ringing in my head all the time. My hands and feet were always cold. My appetite was very poor. On getting up in the morning, my head swam so I was often obliged to lie down again. I had awful pains in the small of my back. I had a continual feeling of tiredness. My muscular power was almost entirely gone, and I couldn't go half a dozen steps without having to rest, and often that much exertion caused me to have a pain in my side. It seemed as though the blood had left my veins. The doctors said my blood had all turned to water. I had given up all hope of ever getting well. I tried the best physicians in the state, but failed to get any relief. My husband got me a bottle of Johnston's Sarsaparilla. I took it, and then I thought another. When there had been used, I was somewhat improved in health. I continued its use, and felt I was growing stronger; my sleep was refreshing, and it seemed as if I could feel new blood moving through my veins. I kept on taking it, and now consider myself a well and rugged woman. I work all the time, and am happy. I am positive that the Sarsaparilla saved my life. The sick headaches I have had since childhood, have disappeared, and my catarrh has almost entirely left me. I cannot be too thankful for what Johnston's Sarsaparilla has done for me. I recommend all women who have sick headaches to use your Sarsaparilla.
